About me

Passionate and solutions-driven full stack web developer with a Web Development Certificate from the University of North Carolina, Chapel Hill. Strong communication, collaboration, problem-solving, and analytical skills. Strong ability to design, build, and maintain websites from conception to production. Ability to work in a fast-paced and diverse team environment developing solutions and exceeding expectations.

Skills

Experienced in fundamental concepts of web development, covering front end technologies like HTML/CSS, Git, Bootstrap, JavaScript, jQuery, APIs, AJAXN. The technical skills necessary to engineer a full stack web application, working with servers, databases, and other back end technologies like Node, Express servers, MySQL, Handlebars, Sequelize, Testing, Error Handling, Heroku, and connecting them to the front end.

Experience

Belk / Administrative Assistant

2019 - PRESENT Durham-NC

Provided primary customer support to internal and external customers in a fast-paced environment. Maintained customer satisfaction with forward-thinking strategies focused on addressing customer needs and resolving concerns. Cultivated customer loyalty, promoted repeat customers, and improved sales.

RedRoof Inn / General- Manager

June 2019 - July 2021 Sumter-SC, Cary-NC

Managed budget implementations, employee reviews, training, schedules, and contract negotiations for the franchise. Organized and achieved margin targets consistently to stay on track with growth plans and preparing forecasts with the help of pace reports.

Country Inn and Suites / Assistant Manager

Oct 2018 - May 2019, Macon-GA

Created organization systems for financial reports, and schedules, dramatically increasing operational efficiency. Delegated daily tasks to team members to optimize group productivity. Conducted weekly staff meetings to motivate staff members, address concerns and questions, plan improvements, and evaluate progress toward goals
